

A GREENWICH AEROGROUP COMPANY

Beechcraft King Air
Maintenance Service
and Support

Summit Airport (KEYV) in Middletown, Delaware is privately owned and operated by Summit Aviation. With an asphalt North/South runway of 4500 x 65 feet and a grass strip of 3600 x 200 feet, Summit airport is capable of handling your aircraft up to and including medium size jets.

Summit Aviation boasts a 120,000 square feet of hangar space with adjacent office areas of 11,500 square feet. In 2010 Summit Aviation unveiled its 9,200 square foot environmentally-friendly paint facility capable of performing complete chemical strip and repaint of aircraft up to the size of a Bombardier CL601.

Normal operating hours are from 7 a.m. to 7 p.m. Monday - Friday, 8 a.m. to 4 p.m. weekends with 24/7 AOG maintenance support is available.

With hundreds of satisfied customers throughout the nation, Summit has the experience and knowledge to provide exceptional service for your King Air.

Certifications

Summit is an FAA Part 145 Certified Repair Station and ISO9001:2008/AS9100C certified. Its Avionics department includes all FAA Radio Class 1,2,3 items.
