

YOUR BELL IS OUR BUSINESS

Summit Aviation Offers Comprehensive Bell Rotorcraft Service Solutions.

Our Capabilities.

For customers requiring maintenance, modifications, paint or parts for their Bell helicopters, Summit Aviation is a Bell Authorized Customer Service Facility with all the capabilities to meet your organization's helicopter needs.

Our team of A&P technicians is OEM factory trained. We provide the highest level of support and repair utilizing the most up to date tooling, training and technology available in the industry.

From inspections to major modifications and everything in between, we've got you covered:

- Aircraft sales & leasing
- Airframe
- Avionics
- Component repair & overhaul
- Engine services
- Inspections
- Import/export
- Installation
- Modifications
- Maintenance
- NVG mods
- Off-site support
- OTC parts sales
- Paint
- Pre-buy evaluations
- Repair
- Special mission/EMS equipment
- Upgrades

Need Parts? No Problem.

Our large inventory of Bell parts ensures we have what you need when you need it. Our inventory includes spare parts and components for a wide range of Bell helicopter models. You can count on us to have the parts necessary to support your aircraft; we know time is of the essence so you can also count on quick shipping.

Paint Services.

We're one of few facilities to offer paint services. We provide painting, refinishing and design

services, and our team will handle your project with dedicated, personal attention to detail. Paint services are an integral part of the value we provide our customers. We offer:

- Custom design paint schemes
- Paint stripping
- Interior painting
- Windshield and window replacement
- Number changes

Experience Leads the Way.

Summit Aviation's technicians have a broad range of airframe knowledge and capabilities, and showcase that exceptional knowledge in their ability to react quickly to any situation that may arise. Just one of the ways we put our 30+ years of experience to work for you.

Bring Us Your Bell.

Summit Aviation is your one-stop-shop for maintenance, modifications, parts and service – including paint. So bring us your Bell... with confidence.
